Dear MVP Supporter,

We write to thank you for your generous support of the Merrimack Valley Project in the past, and to ask for your financial support again this year.

With the generous support of donors like you, during the past year MVP has been busy organizing for immigrant rights, criminal justice reform, economic justice, and responding to those most impacted by the COVID-19 pandemic. Once again, we have ambitious plans for a busy year organizing and training community leaders who want to transform their lives and life in the Merrimack Valley.

For more details, see the enclosed summary:

“Where We’ve Been 2021; Where We’re Going 2022”

Our 9th Annual MICAHA Awards (Ministry In Community Action Honoree) will be held [virtually through Zoom] at 6:00 PM on Saturday, November 6, 2021. We invite you to have YOUR name or ad in the program book that will be sent to all those who attend (or contribute to) this inspiring event. We will honor members from our various communities who have especially lived into the prophet Micah’s guidance to “act justly, love mercy, and walk humbly with your God” in their own organization and in the broader community.

All the details about the MICAHA Awards Ceremony, as well as an order form for your display ad, are enclosed. ***The deadline for ad submission for the digital edition is November 3, 2021. For the hard copy version it is November 15, 2021.***

We believe our work justifies your generous support.

We hope to see you at the MICAHA Awards, and we look forward to building a relationship in which we work together for the betterment of the community we all love. Without the support of organizations like yours, we simply could not continue our important work.

Sincerely,

Merrimack Valley Project

MICAHA tickets are available at: merrimackvalleyproject.org

The Merrimack Valley Project is a non-partisan, non-profit, non-denominational, tax-exempt organization of 30 congregations, labor unions, and community groups representing over 20,000 people who reflect the diversity and hopes of all who live here. We work to build deeper ties among our communities and to address issues that negatively affect the quality of life for all our residents.
